All dogs receiving a Departure Bath will receive a bath using the following products: Pet Effects Tropical Fruit Shampoo Collection or Fresh 'n Clean Shampoo. For an additional charge, you can upgrade your dog's Departure Bath to a Full Service Bath that includes ear cleaning, full drying and a light brushing before departure. No mats will be removed nor any grooming performed. When your dog arrives for admission, our staff will arrange a convenient time for your dog's pick-up after his or her bath.
